## To Mazol Shrine Clubs & Unit Presidents

Mazol Shriners introduced a new and improved website (<http://www.mazolshriners.com/>) in January 2016.

One major change is the addition of a Members section. (instructions on accessing this members section can be obtained on our website).

One of the primary purposes of Mazol Temple having a website is to provide better communications to the Mazol Nobility and in doing so provide clubs and units a way to share with all Mazol Shriners their activities. Another major reason is that all Mazol Nobles will have immediate access to such information as the Strategic Plan, Financial information.

The Mazol PR Chair and Committee are very interested in having club and unit information posted on Mazol website as well providing the Divan with an avenue to communicate in a timely fashion with the Nobility. The types of information that could be posted would be; participation in a parade, success in a certain fundraising, visitation and many other activities.

**Noble Lloyd Walters has agreed to fill the role of News Coordinator; all articles should be sent to Noble Walters [mazolnewscoordinator@nf.aibn.net](mailto:mazolnewscoordinator@nf.aibn.net). and he will forward to the Webmasters. He can also be contacted at 709-660-1453**

To help facilitate the posting of these articles, Webmaster, Noble Dave Reeves and Assistant webmaster, Noble Roger Macdonald are prepared to post these articles for the clubs and units.

The main purpose of this communication is to let clubs or units, how information should be prepared prior to submission. All that is required is to forward to Noble Walters a brief write-up of the activity and attach pictures.

Some guidelines for preparing these articles are:

- Headline for article
- Article prepared in a word processor (e.g. Word etc.) **(PDF Format can not be used!!)**
- Article is concise and not too long
- Picture should be **jpg file and between 1-2 Mb**
- Recommend if article is for public website or members section.

Your full cooperation is requested on this matter and we look forward to working with your club or unit in an effort of keeping all Mazol Shriners up to date on clubs and unit activities.
