Fellow Nobles and Ladies, it gives me great pleasure to present the third issue of **The Wandering Divan**, a newsletter of the Divan of the Mazol Shriners.

Each of our newsletters has a central theme. This newsletter's primary focus is on the great work of our Mazol Shrine Clubs and our Mazol patient care network. Wherever I and Lady Helen and the members of our Divan travel, we are greeted with the utmost respect and made to feel right at home. Each and every club is an inspiration in their commitment to our cause, our patient's well-being. I feel so proud and honoured to serve as your Potentate.

As evidenced by the stories presented in our newsletters, our patient care process is working well, thanks entirely to the people involved. It takes a dedicated team of Nobles at the club and temple level, our temple administrator Ms. Cecilia Paddon, our Hospitals staff, and of course our patient families, to make it all work. Fortunately, we have all of that and more. Frankly, I'm a bit in awe as to how or why it all works but I am so glad that it does. We owe a great debt of gratitude to Noble Ralph Miller, our Patient Chair and the Mazol patient care team, for their efforts and the many volunteer hours they put into making our patient experience as pleasant and enjoyable as possible. A lot of work goes into responding to initial patient contact, screening applications, managing appointments, scheduling visits, booking transportation, and the other aspects of patient care. Then there's "how do we pay for it all?" Thankfully, we, Mazol Nobles and Ladies, fundraise to make that happen as well. **Thank you to everyone involved in the process.** Please keep doing what you do. "It's important in the life of a child".

Thank you,

The Night Travels of Your Divan

There are times when your Divan has to travel by night to reach their many Mazol encampments. They are guided by the stars, and there are always many Nobles and refreshment awaiting them at the club oasis. Below is a snapshot taken along the way to Labrador to visit the Lake Melville and Ptarmigan encampments. The Divan got to see some local wildlife along the way.

Ptarmigan Club Visitation April 28, 2017

Chief Rabban, Paul Rose and his Lady Sharon, along with me and Lady Helen, met with the four Ptarmigan Shrine Club members at the Two Seasons Hotel in Wabush. The 4 members are:

Noble Rick Hiscock & Lady Gaylene
Noble Julio Custodio & Lady Daphne (not present)
Noble Robert Wellon (Pres) & Lady Fern
Noble Joe McNeil & Lady Wanda

We had dinner with the group and received a cheque for \$3000.00

I thanked the group for their generous contribution and we shared with them some of what is happening throughout our Temple.

President Robert shared the story about, how the club met a few years ago when they realized their numbers were not growing, and not likely to grow. "I said to the guys, we have this little candle that's lit and burning. Do

we blow it out or do we keep it going? After some discussion about what we were all about, and the importance of what we do, and what it means in the life of a child, we decided to keep it going, and it's been going ever since"

What an absolute inspiration and really telling story of what we can do when we put our minds to it. Here's a small shrine club who are tenacious in their pursuit of trying to make a difference in the life of a child, and making it work despite the odds.

President Robert was recently at the Miller Centre where he was fitted with a prosthesis following having his leg amputated and is now learning to walk again. He was at our meeting and shows no sign of slowing down. Congratulations Noble Robert and we wish you and the Ptarmigan Club well. We thoroughly enjoyed our visit.

Lake Melville Club Visitation April 29, 2017

Illustrious Sir Rolly Card and Lady Helen, accompanied by Chief Rabban Paul Rose and Lady Sharon, visited the Lake Melville Shrine Club over the last week-end of April.

A cheque for \$5000 was presented to the Potentate by Noble Reginald Bowers.

The lake Melville Shrine Club are to be commended for their fundraising efforts, especially given the small membership base. The donation is earmarked for the Patient Travel Fund.

In addition, the visit to the Lake Melville Club saw the initiation of Mazol's newest Shriner, Noble Ken Lyall. He was presented with his Fez by his Lady, Susan.

The Potentates Lady Helen was honoured to be given a stained-glass snowshoe, as a reminder of his visit to Lake Melville Shrine Club. The stained-glass Labrador snowshoe was created by Noble George Andrews, who is known for his wonderful talent as an artificer in stained glass.

Lake Melville Club 2016 Report Highlights

The following is from the Lake Melville Club Report for 2016 for The Mirror, which unfortunately did not get published. Our apologies to the Lake Melville Club. Here are some highlights from that report written by Noble Ken Grant.

Our Club is growing! Illustrious Sir Elmer Ryzuk installed our newest member, the Worshipful Master Robert Richards of Polaris Lodge 17, as a Shriner this May.

Later at the dinner, Noble Richard's Lady Daphne, gave him the distinctive Red Fez in the "Fezzing".

One of the most rewarding events of the year was a dinner held in May for the children and families helped by the Lake Melville Shrine Club. We met young adults that have grown up with the Shriners at their side, as well as young people in the midst of treatment or anticipating their first visit to the Shriner's Hospital in Montreal or in St. John's. The Illustrious Sir Elmer Ryzuk and Lady Margaret were on hand to meet the sponsored children of Lake Melville Shrine Club.

We heard one mother recount her first visit to the Shriner's hospital with her child several years ago. She remembered the fear and trepidation of standing by the baggage carousel in the Montreal Airport. It was a city she had never visited, she looked over the heads of the crowds and saw the Red Fez. She said how she burst into tears and how much that Red Fez represented help and hope for her sick child at an anxious time for the family.

The dinner held this past spring confirmed to all of us the real contribution that the Shriners makes to an individual child's life. Events like that remind us of why we chose to become a Shriner. Lake Melville Shrine Club currently has seven children under sponsor. The total number of children sponsored by Lake Melville Shrine Club over the years is 39.

One of our Nobles is to be congratulated for saving a life. Noble Heber Keats was at the Town of Happy Valley- Goose Bay Landfill Site when he noticed the bulldozer had backed over a child. He ran to alert the dozer operator and helped to rescue the child. Maria Rich was severely injured and spent several months in a St. John's hospital recovering from injuries. Maria returned to Goose Bay in late August and was met by her rescuer, Noble Heber Keats at the airport.

The Lake Melville Shrine Club is also a great supporter of the soccer leagues in Happy Valley – Goose

Bay donating funds for the purchase of soccer shirts for the past several years. We sold Fezeroo tickets at this year's Soccer Tournament. Attending this year's Soccer Tournament Nobles Wilbur Patey, Ken Russell, Daren Wells, and Ken Grant

Lake Melville Shrine Club's Fire Truck was prominent at the annual "Trunk or Treat" Halloween at the Salvation Army. Noble Shawn Crann and Brother Max Winsor handed out potato chips and candy bars to more than 500 spooks, witches, and goblins. The Trunk or Treat is a local event where parents and kids can get their treat bags filled with goodies from residents and businesses in the convenience of a parking lot.

Visit of ILL. Sir Rolly Card and Lady Helen to the Montreal Shriners Hospital Seminar

Lady Helen and I, along with ILL. Sir Roger Tinkham and Assistant Rabban, Robert Barrett and Lady Zana, visited the Shriners Montreal Children's Hospital Seminar.

Lady Helen used the occasion to turn over what monies she has collected through her Butterfly project, which is getting great support at home.

While we were there we had the privilege to visit with a number of patients from Newfoundland Labrador.

We met Keaton Lynch from Paradise. He has Cerebral Palsy and has been a patient for two years. He was at the hospital for Dorsal Rhizotomy surgery. His Mom Tara was with him for what is expected to be a 5 week stay. The operation was completed successfully and when we visited he was doing exercise therapy.

We also met Brittany Janes from Goose Bay, who was at the hospital being treated for Scoliosis. She had corrective surgery in June 2016 and was accompanied on this trip by her Dad and Mom David and Lucy Janes. She also participated in an Air Canada ceremony dedicating some equipment to the hospital while we were there.

Potentate and Lady Helen's Visit To Brockville Shrine Club and Kingston Prison

Following the Hospital Seminar in Montreal, Lady Helen and I visited for a couple days with Tunis Potentate, ILL. Sir Dave Wood and Lady Deb. While we were there, they took us around the area and we saw the Kingston prison...from the inside.

I also visited the Brockville shrine club with Potentate Dave for their Wednesday morning coffee club.

Divan Discovers Ancient Sphinx On Route to Gander Outreach Clinic

Somewhere between Lewisporte and Gander, after climbing a large sand dune, the ILL. Sir Rolly Card and the Divan were surprised to find an Egyptian Sphinx in the middle of nowhere. How did it get there? We can only speculate but finding it made for much thought and a day of profit and pleasure. It reminded everyone of how much has changed over the centuries. Instead of building monuments to the heavens, good men, Masons, build great organizations like Shriners International, which builds great hospitals, with skilled and learned Dr.'s and staff that bring hope and healing to thousands of children, at no cost to the parents. The visit to the Gander Outreach Clinic took on a new significance. Shriners are showing the way to a better world. May Love, Kindness and the hard work of Shriners everywhere prevail.

Divan Visit to Lewisporte Shrine Club

LTR: Lady Cheryl and Oriental Guide, Brian Peckford.

On June 9, ILL. Sir Rolly Card and Lady Helen, accompanied by Chief Rabban Paul Rose and Lady Sharon, Assistant Rabban Robert Barrett and Lady Zana, High Priest and Prophet Dave Pike and Lady Brenda, Oriental Guide Brian Peckford and Lady Cheryl and Recorder Bill Smith and Lady Betty visited the Lewisporte Shrine Club. They were greeted with the utmost hospitality and a good time was had by all.

Oriental Guide and Lewisporte Shrine Club president, Noble Brian Peckford, presented Potentate Rolly Card with a cheque for \$10,000 for the Patient Travel Fund and a cheque for \$1000 to Lady Helen for her project to raise money for special equipment for the Montreal Shriners Hospital.

Thank you very much.

Sir Rolly Card and Lady Helen, accompanied by Chief Rabban Paul Rose and Lady Sharon, Assistant Rabban Robert Barrett and Lady Zana, High Priest and Prophet Dave Pike and Lady Brenda, Oriental Guide Brian Peckford and Lady Cheryl and Recorder Bill Smith and Lady Betty visited the Gander Shrine Club at the Harold Duffett Shriners RV Park.

It was Lady Helen's Birthday and it was celebrated in style with the presentation of a Birthday Cake by Lady Dianne and the singing of Happy Birthday by all.

Our Recorder, ILL. Sir Bill Smith, P.P. also had a good time as evidenced from the picture below.

Once again, the Divan meet with friends wherever they go, lots of fun and laughter, good memories and fellowship.

Gander Patient Outreach Clinic

On Tuesday, June 13, ILL. Sir Rolly Card and Lady Helen accompanied by Chief Rabban Paul Rose and Lady Sharon and Assistant Rabban Robert Barrett and Lady Zana, attended the Gander Outreach Clinic at the James Paton Memorial Hospital. It was a pleasure to meet with Dr. Francois Fassier and Madame Fassier and Noble Ralph Miller, Mazol Patient Chairman.

The day was spent meeting the patients and their parents and getting acquainted once again. Being in the presence of these beautiful children and experiencing the special care that our patients receive from Shriners Hospitals for Children is truly rewarding and invigorates everyone in our great cause.

The pictures say it all.

Dr. Francois Fassier Service Recognition Event.

On Tuesday, June 13th, 2017, we attended a dinner in Gander to recognize the service provided by our Canadian Shriners Hospital **Dr. Francois Fassier**, to our Gander Outreach clinic, since 2004. In addition to Dr. and Madame Fassier, members of the Divan and several Nobles and their ladies, the event was also attended by our Hospital Board member ILL. Sir Roger Tinkham as well as the NL Central Health Chief Administrator, Ms. Rosemarie Goodyear.

In 2003, our temple, and the Gander shrine club, cost shared renovations and upgrades to an area of the James Paton Memorial Hospital with Central Health, to accommodate our clinic; and Dr. Fassier's first Outreach clinic in Gander was held in July 2004. Since then, he has held 22 clinics at the James Paton Memorial Hospital and seen more than 100 Mazol Newfoundland and Labrador patients for 425 appointments. Those clinics have provided a great service to our patients over the past 14 years and have greatly reduced both travel time and cost. In addition to the travel time and cost saving provided, we, and

**LTR: Dr. & Madame Fassier.
Lady Helen & Potentate Rolly Card**

our patients, are fortunate to have Dr. Fassier and his expertise as the attending physician for our clinics. His reputation is legendary and the service he is providing to the Mazol NL patients and families is exemplary.

Dr. François Fassier was born and raised in France. He completed his medical school in Lyon and his orthopedic residency in Grenoble and Paris. After a year of fellowship in pediatric orthopedic surgery at Ste Justine Hospital (University of Montreal), Dr. Fassier went back to Grenoble as a young staff (Chef de clinique) for one year. In 1982, he immigrated to Canada and became a member of the Ste Justine Hospital staff until 1993.

He was then appointed at McGill University and became Chief of Orthopedics at the Montreal Children's Hospital (MCH). He played a role in the development of the relationship between the MCH and the Shriners Hospital – Canada. Following his service as Director of Pediatric Orthopedic Surgery at McGill University, he became Chief of Staff of the Shriners Hospital – Canada in 2001.

Dr. Fassier has many points of interest in pediatric orthopedics: He introduced the Ilizarov method for bone lengthening in Canada and developed a telescopic implant for children with bone fragility (The Fassier-Duval rod for Osteogenesis Imperfecta). Besides metabolic and rare genetic disorders, Dr. Fassier has developed a special interest for sports medicine and arthroscopic surgery (hip, knee and ankle).

His leadership in the field of surgery in children with fragile bones allows him to travel a lot as a guest speaker in medical meetings or parents' association meetings. He has operated on children in many countries and trained many foreign surgeons in Montreal.

We presented Dr. Fassier with a framed artist proof print by NL artist Ted Stuckless titled "Iceberg Alley", and a \$100 million club certificate. Lady Helen presented Madame Fassier with a seal skin brooch and her Butterfly pin.

Thank you to the Boot Shrine club and the Gander Shrine club who provided funding for the event, and of course, THANK YOU to Dr. Fassier, on behalf of all our patients and their families, and Mazol Temple for your service.

Donation to Mazol Shriners from Todd Churchill, Through “Reason for The Rink”

On June 1, the Mazol Temple were very happy to receive a cheque for \$11,403.83 from Todd Churchill of Portugal Cove, as a share of the proceeds raised through his “Reason for the Rink” project. He started his project in 2012 to help raise funds and give back to local Newfoundland charities, like the Mazol Shriners, as a way to say thank you for helping his son Carter with his physical, mental and cognitive issues. On hand to receive the donation was ILL. Sir Jim Finch, Donor Chair, ILL. Sir Rolly Card and Chief Rabban Paul Rose. The proceeds will go to the Patient Travel Fund.

In the upcoming issue of The Mirror, there is a full story by Todd Churchill about Carter and the history of the “Reason for the Rink” project. It is a heartwarming story.

Gregor Whalen's Story

The following story is told by Katrina Innes, mother of Gregor Whalen.

"Gregor is 13 years old and started developing orthopaedic issues about 3 years ago. He has had physio, orthopaedic inserts and Botox injections with serial castings.

I applied to the Shriners Hospital in February of 2016, and we went for our first assessment in Montreal in May 2016.

Gregor was sent for some further testing to try and figure out what was causing his issues. On March 27 of this year we once again were in Montreal for the results of all his testing. Gregor's ankle joints are fusing, causing him to not be able to flex his foot when walking, running etc. His muscles and tendons are tightening, causing his feet to develop extreme high arches, and is attributed to him walking on the outsides of his feet. His Dr. at Shriners is confident that is "fixable" and Gregor is now on a wait list for surgery.

Each time we went to Montreal we have always tried to do fun things with Gregor to make his time spent in the hospital more tolerable.

On our first trip, we took Gregor on a tour of the Bell Center, since he is such a huge Canadians fan.

Our latest trip the Shrine Organisation gave us the opportunity to make one of Gregor's dreams come true of seeing a "real live Habs game at the Bell Center." It was truly an experience of a lifetime for Gregor and he had the time of his life. Gregor also has Autism and for him to show emotions is not a frequent thing... but thanks to the Shriners my son had no problem showing his excitement and happiness that night.

Each time we have gone to Montreal the amazing people we have met through the Shriners have made what could have been a difficult time very pleasurable and memorable. "

Daughters of the Nile, Sakina Temple Patient Comfort & Support Fund Pet Therapy

The following update comes from Emmanuelle Rondeau of our Montreal Shriners Hospital. It is an update of a programme that is funded by the Daughters of the Nile. The Mazol has also supported this programme.

Emmanuelle tells us that the first patient will be starting therapy with a dog this month and they hope to do a full story in the June or July edition of the E-Orthopedik.

Pet Therapy

In May 2017, our Rehabilitation Services will begin a pet therapy pilot project at Shriners Hospitals for Children - Canada. This pet therapy will involve one or two dogs and their volunteer handlers who are certified to work with children by the Caring Paws Animal Therapy organization. This pilot project will allow the Rehabilitation team to develop and assess a unique approach to pet therapy. At Shriners Hospitals for Children – Canada, pet therapy will be integrated into the rehabilitation therapies. For example, an occupational therapist who is working on developing fine motor skills may use the grooming of the dog to practice specific movements. A physiotherapist may ask a patient who is developing gross motor skills to walk the therapy dog through a specific course. The dogs are always on leash with their handler. When a child walks the dog, a second leash is hooked on for the patient.

There are many measures that have been put in place to ensure a positive and safe experience for all participants in the program. Families will be asked whether they wish to participate in pet therapy and will be required to sign a hospital consent form as well as a Caring Paws consent form. The infection control specialist has played an integral role in the implementation

of the pilot project and has confirmed that the dogs have met all necessary health & safety criteria. Shriners Hospitals for Children – Canada would like to thank Daughters of the Nile Sakina temple for a successful launch to their fundraising campaign for the establishment of pet therapy through the Patient Comfort & Support Initiative. Junior Past Queen, BJ Tycoles, has been a driving force behind this project and provided a wealth of information. We are very grateful to all the donors and temples who have made a contribution.

Over the next six months, the pilot project will be evaluated and recommendations for permanent adoption of the program will be reviewed and considered. Generous donors will be kept abreast of developments.

SHRINERS POST CONFERENCE TOUR OPTIONS

Bird Island & the Colony of Avalon (0830 – 1700)

Your Good Time in Good Hands!

Today begins with a drive down the Southern Shore to the historic Irish outport, Bay Bulls. Here we take a boat ride out to the Witless Bay Ecological Reserve Bird Islands, home to thousands of Atlantic Puffins, Murres and Kittiwakes in the summer. Witless bay is also home to humpback, minke and fin whales during the summer months.

Next we continue south on the Irish Loop. This driving route takes us along the southern shore through communities settled by Irish immigrants in the mid 18th century.

Our destination today is the town of Ferryland. George Calvert,

later Lord Baltimore, founded the colony in 1621.

We will tour the interpretation centre and the Colony of Avalon site. After touring the site the group will take the leisurely 35-minute walk to the Ferryland Lighthouse. Along the way we pass some of the remains of Lord Baltimore's Colony, Goose Island, Isle aux Bois and in a single glance the sights of the Torhamvan shipwreck.

At the lighthouse we will set ourselves up on blankets on the hillsides overlooking the ocean and serve them individual gourmet picnic lunches. After lunch we have the opportunity to take a tour of the lighthouse before we head back to Ferryland for our trip back to St. John's.

PRICE PER PERSON: \$160+ tax

Includes: transportation, local McCarthy's Party guide, boat tour in Bay Bulls, all entrance fees and lunch.

Please note that all Nobles are responsible for making their own reservations with McCarthy's Party Tour if you wish to take in this activity. Have fun and be safe. Enjoy!!
